

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known in the industry as durable and strong equipment that meets all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nationwide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply warranty service, machines and parts for these types of scrubbers which carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where results and efficiency make a difference. Lately, this particular floor scrubber model has been used by the architects in new construction projects like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
